NOVEMBER - DECEMBER 2026

PEAKY NEWSLETTER

Sponsored by St. George Maso's

Bi-Monthly newsletter of Peaky Striders Inc
www.peakystriders.org.au

I'm writing this at the end of October. I've just been walking with Helen, Lee and our dogs. We met Phillipe running in Oatley Park and Carol K, Henry, Annetta and Cheryl in the streets of Oatley. These interactions reminded me that this group is not just for walking, it's the friendship and companionship that this walking group gives as a bonus. So, keep on walking. This is the last newsletter for 2026, see you in 2027. Lyn M

Sunday 6 December 2026 - Christmas lunch
Wednesday 16 December 2026 - Last walk for the year
Thursday 17 December 2026 - Presentation night, no walk
Tuesday 12 January 2027 - walking resumes

Walk cards will be collected in November to allow your walking stamps to be tallied for presentation awards. You still get your stamp for each walk until the end of the year.

In December and January, Wednesday morning walks will start at 7am to avoid the heat.

WOW Walk on Wednesday 2 September 2026

From Di Craven on Facebook “A Ferry strike changed our plans for our WOW to Parramatta Park and Wisteria Gardens. Our last minute travel arrangements worked a treat. We enjoyed a stunning spring day wandering through the gardens then the Park to our lunch spot. Thanks for your company.”

Government House Sunday 13 September 2026

From Glenn Williams on Facebook “ Great Peaky day out to visit Government House in the Botanical Gardens with guided tour inside followed by a great lunch at Searock Grill at Circular Quay. Thanks Judi for organising such a great day. ”👏

WOW Walk on Wednesday 2 October 2026

WOW on 7th October 2026, Peakies and friends took the train to Circular Quay and walked to the Opera House and then wandered through the Botanical Gardens with morning tea and Farm Cove Eatery.
After morning coffee, walked through the gardens and up to the State Library of New South Wales to view several Photo Exhibitions of

- Definitive Dupain Photo Exhibition
- Merve Bishop - Close Up - Photo Exhibition
- Lorrie Graham - Photojournalist Exhibition

For lunch, Peakies headed to the Verandah Bar. A lovely day.

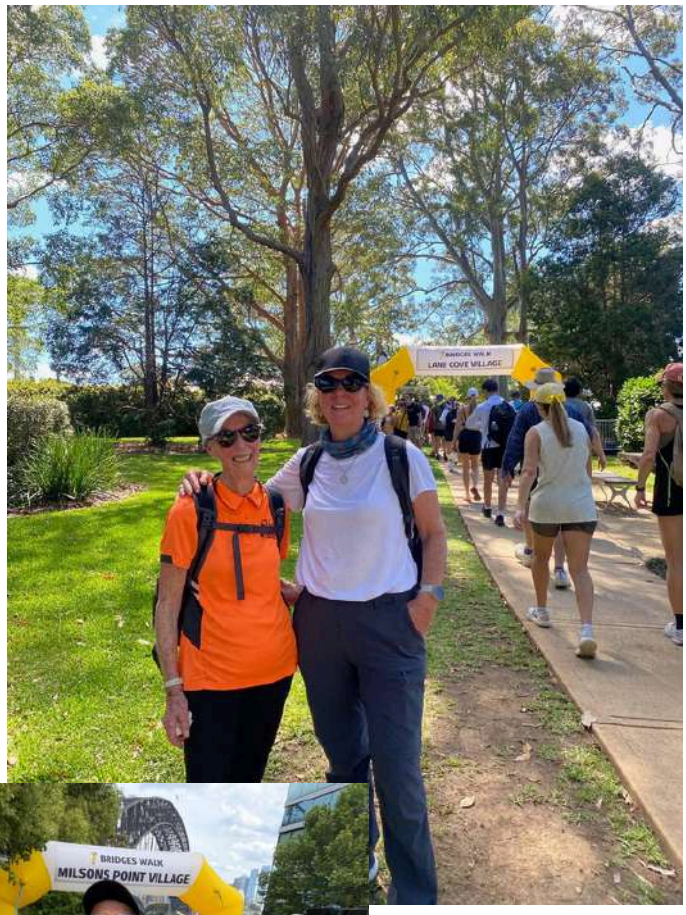

Sunday October 25 2026 Seven Bridges walk

Four Peakies decided to do this walk, Anne W (with daughter Kate), Sam, Antoinette and Paul. Paul said his day started badly. His garage door would not open and no tradesperson available to help. So Paul walked to the station, went to start the walk. It was so hot, and so hard to walk. Watermelon on the way helped.

Paul, Sam and Antoinette completed the walk (28km) and Anne and Kate did about 21km. Paul's comment after the walk "I'm not doing the walk again if it is this hot". Congratulations to Sam, Antoinette, Anne, Paul and Kate who went and did the walk in very heated conditions.

PS. Paul's garage door did not get fixed until mid week, a spring broke.

A couple of jokes with the word “walking” in it.

I was walking down the road and slipped on some dog poo. Someone came up behind me and slipped as well. Trying to sympathize, I said "I just did that!" They slapped me and said "use the toilet next time".

I was walking home last night through the park, when this scary looking kid drew a knife on me... The little brat used a permanent marker and it was damned hard to wash it off.
